Data Policy

- 1. free internal use for all team members.

- 2. NO distribution outside the team.

- 3. team members are on faculty/staff levels and their supervised students/postdoc. If students/postdoc leave, they can apply for the extension of the membership.

Project and publication policy

- 1. projects approved by PI and co-PI to avoid conflict of interest.

- 2. conflict of interest is only limited to a specific project, not any sub-field.

- 3. If announced projects do not have any progress within 1 year, it will have no protect.

- 4. Before publication, circulate the manuscript within the team for two weeks.

- 5. Submitted papers should be posted on arXiv only after acceptance, except for particular reasons such as funding/proposal/job deadlines etc.

- 6. acknowledgement: to be added
